washrooms for all environments

CASE STUDY

Client: Park Leisure, Allerthorpe Golf Club

Contractor: Speller Metcalfe

Architect: Symms Revill

Location: York

Completion Date: June 2018

Having been closed for 4 years, Allerthorpe Golf Club has recently undergone a massive transformation.

Purchased by Park Leisure, the Golf club has been transformed beyond recognition and is keenly awaiting official opening in September 2018.

Engaged by main contractor Speller Metcalfe, Excelsior worked closely with both Speller Metcalfe and Symms Revill to get the specification and design just right for this prestigious Golf Club.

The Architects design, coupled with Excelsior's ability to adapt and produce bespoke products has resulted in a first-class finish for the club and its members.
