Bench Seating Range

The ultimate bench seating cloakroom solution

Our extensive range of Bench Seating will satisfy all your changing area and cloakroom requirements. Specialising in Leisure, Education and Workplace facility environments. Included within our offer are three specific seat options and endless frame permutations.

Excelsior's extensive range of bench seating covers all eventualities and ensures there is a design to suit every client's requirements.

Each customers requirements differ dependant on the intended location and setting. The suitability of materials and finishes vary in wet and dry areas. Choosing the correct core material is just as important as creating a desirable visual finish and the team at Excelsior have a wealth of experience in ensuring the correct product is matched to the milieu.

Seat options and finishes fluctuate and are bespoke to each individual customer. Integral or loose coat rails are an option as are seat backs and so on.

As with all of our ranges Excelsior endeavour to work with the customer and our open-minded approach and manufacturing capabilities ensure we can offer the customer exactly what they need.
