

excelsior[®]

washrooms for all environments

CASE STUDY

Client: Derby Manufacturing UTC

Contractor: Bam Construction

Location: Derby

Completion Date: November 2015

We are proud to have worked alongside Bam Construction supplying and installing our Skyline Range on the Derby Manufacturing UTC Project.

The Skyline Range is the perfect fit in open washroom spaces. With full height doors, pilasters and partitions providing complete privacy, elegance, and discretion for the user.

Used within increasingly popular open washroom spaces, these full height cubicles are the perfectly solution in open spaces, unisex washrooms and gender-neutral facilities.

The Skyline Range is available in three different specification options to meet both budget and durability requirements.

Product Range: Skyline

Doors: 12mm Compact SGL G059 Gris Orage

Pilaster: Polyrey G003 Gris Perle

Partition: Polyrey G003 Gris Perle

Ironmongery: Satin Anodised Aluminium
