## Modular Large Hand Towel Dispenser

White Plastic

This ultra-strong towel dispenser will fit a large range of hand towels - from interleaved to extra-thin. For towels below 100mm folded width, we offer a unique spacer attachment that transforms the dispenser into a perfect fit. Furthermore, we've designed the most hard-working part of the dispenser - the towel outlet slot - to stand up to constant use. The result: this dispenser is both strong and versatile (remember both models have a large graphics plaque where we can custom-print your company logo.)

**Dimensions:** 425mm(H) x 290mm(W) x 145mm(D)

**Weight:** 1 kg

**Paper Usage:** C fold/Z fold/Multifold (interleaved)

**Mercury Jumbo Toilet Roll Dispenser**

Stainless Steel

We've designed a jumbo holder that's streamlined and sophisticated - and right at home in upmarket washrooms. Behind the stunning cover, the holder can easily store a jumbo roll of paper alongside a stub roll, yet the unit is petite enough for small washrooms. And despite its minimalist appearance, this holder is all function: durable, easy to change and able to dispense both perforated and non-perforated paper.

**Dimensions:** 350mm(H) x 260mm(W) x 200mm(D)**Weight:** 0.7 kg**Paper:** Perforated and non-perforated paper**Capacity:** Holds a small jumbo roll + stub, to keep paper wastage to a minimum**Installation Height:** 75cm (recommended)

### Mercury Waste Bin

Brushed Stainless Steel

Slim-line and stylish, this compact waste bin hardly looks like a bin at all - yet it holds 25 litres of rubbish. Good looks haven't sacrificed function though: with its smooth finish, the unit is incredibly easy to clean, and changing waste sacks is quick and stress-free.

At home in the most sophisticated (and smallest) of washrooms, the waste bin can be free-standing to avoid damaging an expensive tiled finish, or wall-mounted to save space.

**Dimensions:** 665mm(H) x 400mm(W) x 185mm(D)

**Weight:** 0.6 kg

**Consumables:** Waste

**Material:** Brushed Stainless Steel / Black PVC
