### Toilet Roll Holders and Accessories available upon request

### Please Note:

- Digital print designs are available at additional cost
- Magnetic door catch available instead of indicator bolt upon request
- The ability of this leg to perform is totally reliant on the strength of the floor & fascia fixing. Excelsior have tested the product on a solid concrete floor where it was proven fit for purpose. The product utilises 2Nr 75mm x 8mm screwbolts to secure to the floor. It remains the responsibility of the user to ensure that the construction of the floor is suitable for this type of application.

---

**Ironmongery Finish:** Excelsior Semi Bright Anodised Aluminium as standard. Red, Yellow or Blue powder coat finish at additional cost

**Colour Selections:** Excelsior Preferred Cubicle & Washroom colour selections.

Digital print designs are available at additional cost.
