washrooms for all environments

CASE STUDY

**Client:** Perton First School

**Contractor:** G Evans

**Architect:** Entrust

**Location:** Perton, Wolverhampton

**Completion Date:** Autumn 2019

Excelsior, working alongside G Evans and Entrust, are excited to have installed our Harlequin Select Range at Perton First School. The school chose our Peardrop Range with low level accessible doors and magnetic locks, perfect for the classroom environment. The cubicles doors were finished in our vibrant Lolly Pop Digital Print.

Our digital Print finishes can be created using any image, making it the perfect choice of a bespoke and original project. We have 3 designs readily available: Lolly Pop, Art Attack and Under the Sea.

14 different Cubicle ranges are available as standard with varying finishes, plus an extensive range of accessories, solid surface tops & troughs & bespoke cabinetry to name a few. The Installation element is handled from drawings to completion by a dedicated Contracts Manager. A full, detailed survey is included for all projects along with a wealth of experience when discussing feasibility at planning stage. Delivering the very best product and service is a strong driver for our business and forms a key element of the company ethos.
