washrooms for all environments

## The Project – Jump Nation

Warehouse refurbishment to house trampoline centre.

Jump Nation intend to open centres across all major towns and cities in the UK as popularity soars.

## The Challenge

Propose a robust system suitable for heavy use environment.

Changing Cubicles and matching WC Cubicles finished in the company's vibrant colour scheme.

Powder coat ironmongery to match companies branding.

## The Solution

Excelsior T-Line range fitted the project brief perfectly for Jump Nation, offering a robust system with a modern and minimalist feel incorporating a powder coated extruded satin anodised aluminium pilaster and headrail presenting a sleek & slimline façade.

Offering consistency, excellent service, quality products and strong working relations Excelsior look forward to supporting the team at Jump Nation with their planned progression to open trampoline parks across all major towns and cities in the UK.
