Check with the infoGuide !
Most of our decors are also available in Compact HPL REYSIPUR® at "standard" fitting size 307×124 cm and 307×132 cm and some are even available at Doors sizes 215×97 cm and 245×124 cm.
Think about it to optimise your Cubicles and Lockers fittings.
All decors are not available in MFC boards in FA, they can be in another finish, check our infoGuide !

(1) available in SURF finish - (2) Available in another finish (not FA, check infoGuide)
(3) 305x132 cm - (4) Acrylic panels - No moisture resistant grade
*LRV = Light Reflectance Value - **The colour and homogeneity of the Reysipur® core may vay from one prodution batch to another and within the same batch. In the fire-retardant version , the Reysipur® core has a different tone to the standard. These variations are inherent to the industrial process and in no way affect the technical performance of the product.
